五年生-Grade 5 Self Intro and Weekend Activity Presentation

1. I chose to do the following for my report:

_____Create Voki

_____Use the Google Voice phone number

_____Be videotaped by a friend

-
2. I needed to introduce myself and talk about some things I had done on the weekend (or the previous day). This is how I think I did:

_____I said many things about myself

_____I only said a few things about myself

_____I said nothing about myself

_____I said several things about what I did on the weekend

_____I said 1-2 things about what I did on the weekend

_____I said nothing about what I did on the weekend

-
3. This is the score I think I should get on my project (circle one):

P (Proficient Penelope) B (Basic-Bruce) M (Minimal-Marty)

This is how I felt about my performance for this project:

_____ I am proud of the job I did

_____ I felt well prepared

_____ I did better than I thought I would

_____ I worked really hard and practiced on my own

_____ I wasn't nervous at all

_____ I like this type of project

_____ Next time, I want to do this better:

Other things I want to say:
